

Harcrest begins Fall Tour of Habersham

Habersham at Laurel Springs features old-world architecture

Johns Creek/South Forsyth is quickly becoming one of Atlanta's hottest addresses, and Harcrest Homes is pleased to be in the heart of the action.

A few minutes from Johns Creek business district, Habersham on Laurel Springs offers refreshing old-world style architecture with all the new features buyers are seeking. Upon completion, the neighborhood will be home to 69 residents.

Harcrest has just completed a fine ensemble of nine homes ranging in price from the high \$400s to the \$600s. The Fall Tour is currently underway and feedback from visitors is very positive.

Harcrest Homes over the past 30 years has received over 80 awards from the Greater Atlanta Home Builders Association and has set the standard for quality home building in northern Atlanta. In keeping with their extraordinary reputation for building fine homes, Habersham at Laurel Springs has raised the bar once again.

Habersham's unique collection of homes features four- and five-bedroom plans ranging in size from 3,360 to 4,040 square feet. The rolling terrain and heavily-wooded surrounding area set the tone for these homes that feature abundant outdoor living areas with covered front porches, spacious decks and patios.

Residents will also enjoy the grand swim, tennis

pavilion with fireside gathering area, which is nearing completion. Home sites range from one-quarter to one-half acre.

All homes enjoy a gourmet kitchen, deluxe trim package throughout, professionally landscaped lawn, Whirlpool Gold appliances and Delta plumbing fea-

tures. Additionally, Harcrest provides the first year of Chem Lawn service for free to all homeowners, which is evident in the lush green lawns.

Harcrest Homes has assembled a wonderful assortment of two-story home plans, and many feature a basement and many upgraded features.

"These are truly some of the most beautiful homes we have built, and we are most excited about this unique collection of homes that depict a style of architecture that is so memorable" Mike Smith of Harcrest Homes said.

One showcase home and nine field models are currently available for touring.

Habersham at Laurel Springs is convenient to Johns Creek with easy access to Ga. 400. The Avenue South Forsyth, that opens in the spring of 2008, is a quick four-mile commute and the immediate area has excellent shopping and restaurants. Children will attend the new Johns Creek Elementary, Riverwatch Middle and the nationally ranked South Forsyth High.
